Name of Parent (Please print): _____

Signature of Parent: _____ Date: _____

Our Lady and St Patrick's College, Knock

Admissions Criteria for Admission to Years 9 to 12

General Policy

Our Lady and St Patrick's College, Knock is a Catholic, co-educational, Voluntary Grammar School which was opened in 1985 by the Diocese of Down and Connor. The Board of Governors of the College will consider for acceptance into Years 9-12 those students who subscribe to its Catholic ethos and vision, wish to pursue the aims of highest academic achievement through hard work and commitment to study and meet the standards of behaviour and responsibility expected in the school.

The Board of Governors, having agreed to the criteria for admission, has delegated to the Years 9-12 Admissions Panel, consisting of the Principal and the Vice-Principals, the authority to decide which particular applicants shall be admitted to the College in accordance with the criteria and any appropriate statutory regulations issued by the Department of Education. Where the overall College enrolment number of 1260 students is at risk of being exceeded, it is left to the Years 9-12 Admissions Panel to decide which year groups shall have priority in the allocation of available places.

Applications

Those wishing to apply for entry to Years 9-12 must make a formal application each year using the College Application Form and provide the two most recent reports from their present and any previous schools. Full details, including the College Application Form, may be obtained by writing to the Principal's Secretary, Our Lady and St Patrick's College, Knock or by downloading from the College website www.knock.co.uk.

For Admission on 2 September 2019: Applications for entry into the new academic year in September 2019 should be submitted to the College by **2.00pm on Monday 29 April 2019**. Applications received by this deadline will be considered first for the forthcoming academic year.

Applications received on and after 2.00pm on Monday 29 April 2019: In the event of places becoming available, the same criteria will continue to be applied to new and unsuccessful applicants whose parents have informed the school in writing that they wish to keep their application open.

Admissions Criteria for Admission to Years 9-12

An applicant will be considered for admission to Years 9-12 in the College provided that:

- (a) they are domiciled in Northern Ireland at the time of their proposed admission;
- (b) his/her admission would not cause the school to exceed its enrolment number;
- (c) his/her enrolment would not prejudice the efficient use of the school's resources, e.g. the number in a particular year group would not normally exceed 190 or the student's inclusion in a class would render the numbers in any subject taught to the class to be unacceptable or a breach of regulations;
- (d) curricular and timetable arrangements can be met by the College.

The decision of the Years 9-12 Admissions Panel will be based on the following evidence of academic ability:

1. A Literacy and Numeracy assessment set by the College (to be sat in the College on Monday 27th May 2019);
2. The two most recent school reports;
3. A letter of recommendation from the student's current school commenting on behaviour, application, academic potential and attendance rates;
4. Any other appropriate evidence of academic ability and/or potential.

Over subscription

If there are more applicants meeting the above criteria than there are places available in a particular year group, the Years 9-12 Admissions Panel will, on the basis of the information presented to it, apply the following sub-criteria, in the order set down:

- (i) Applicants with the highest score in the College organised Literacy and Numeracy assessment.
- (ii) In the event of applicants having the same combined score, the criteria below will apply, in the order set down:
 - a) brothers or sisters of present or past students of the College or of students who have already been selected for admission to the College;
 - b) applicants who are the eldest or only child in the family eligible to transfer to mainstream education;
 - c) applicants entitled to Free School Meals at the time of application as verified by the EA;
 - d) applicants whose parent/guardian is an employee of the College;
 - e) applicants whose circumstances are deemed by the Year 9-12 Admissions Panel to be exceptional and for whom it is considered that enrolment in the school is in the child's interests.

If, on applying the above sub-criteria, it becomes necessary to differentiate between applicants in a particular year group, the final available place(s) will be allocated on the basis of a computerised random selection process. This process will be witnessed by two members of staff who have had no dealings with, or family interest in, the application procedure.

Note on Special Circumstances

Judgement of the importance of special circumstances will be at the absolute discretion of the Years 9-12 Admissions Panel. In such cases, parents should submit independently verified medical, educational and/or other reports along with the academic progress reports, etc., in support of their application.

Positive Attitude

A student is expected to have a positive attitude towards discipline, study, school attendance and the Catholic ethos and Religious Education programmes of the College. This will involve accepting the aims, rules and standards set by the College as stated in College publications, and the obligations and restraints resulting from accepting these standards. This acceptance includes a commitment to be present in the College for the whole of the school year as a full-time student and not to take any holidays during term time.

Requirements of the Timetable

A student must be prepared to accept timetable and curriculum arrangements. This will include being involved in and present at Religious Education classes, Careers Education classes, Personal Development classes, Education for Love classes, morning assemblies and the College celebration of the Eucharist. (Arrangements concerning exemptions can be made on behalf of those students who are registered as members of other mainstream denominations or of no religion).

Appeals

Applicants who consider that these admissions criteria were not applied or not applied correctly may wish to appeal the decision of the College by referring the matter to an independent tribunal. Further details are available from: The Clerk to the Tribunal, c/o Education Authority, Ballee Centre, Ballee Road West, Ballymena, BT42 2HS.
