

# YEAR 9

## HOME ECONOMICS

### Recipe Section

NAME: .....

TUTOR GROUP: .....

TEACHER: .....

*Students should leave all ingredients **CLEARLY LABELLED** in the H.E department at the beginning of the day.*

*All dairy, meat, fish and chicken should be placed in the fridges in the classroom.*

*All other ingredients should be placed in an allocated cupboard.*

## INTRODUCTION

In Year 9 you will be building on and improving all the practical cookery skills you have acquired in years 8.

At the end of year 9 you will have learned:

- To develop new skills
- Know how to choose a good recipe
- To experiment with ingredients and flavours
- To appreciate the variations in cost and quality of food
- To be creative in your choice and presentation of food
- To show initiative and be responsible when cooking
- To plan ahead and work independently and efficiently when cooking

### IMPORTANT PRACTICAL REMINDERS

#### **1. Avoid wasting food:**

- \* Bring in **only** the quantities of each ingredient that you need
- \* Think about how you will carry your dish home
- \* Store ingredients safely both at home and in school
- \* Remember that school will provide some of the ingredients  
(marked with \* on your recipe)
- \* Share ingredients such as fresh herbs

#### **2. Avoid wasting time:**

- \* Come to class prepared with ingredients weighed and measured (*this can be done in school before class i.e break-time*)
- \* Read the recipe at home so that you understand what you will be doing before you come to class, this will improve your ability to plan ahead and work efficiently

#### **3. Avoid unnecessary packaging:**

Every year the H.E department disposes of plastic containers left behind by students. Plastic food bags are an efficient way of taking ingredient to and from school.

**REMEMBER OUR SCHOOL IS A NUT FREE ZONE**
