

A2 candidates have the opportunity to sit their first exam in the January of Year 14. They will be entered by their teacher and students should receive an individual timetable for their January Exams before the Halloween break.

January Re-sits

Students will have an opportunity to repeat some AS exams in January. This is a useful way to improve A2 grades but students should be wary of taking on too much. Their first priority should be preparing for A2 exams in January.

If you decide that you no longer wish to sit a particular exam **LET US KNOW**. The earlier you can let us have this information the better. If you withdraw from an exam early enough you may even get your money back.

Students should note that withdrawing from an exam on the day will incur an additional charge that they will be expected to pay.

Summer Exams

A2 students sit their final set of exams in the summer of Year 14. Each individual will be sitting a varied combination of A2 exams and AS re-sits. No two students in a class will be the same. It is vital, therefore that all A-Level students examine their individual statements of entry and timetables. If they have any questions about their entries, they should speak to Ms O'Connor in the Examinations office. Correcting errors after the published deadline, usually costs money.

Clashes

When candidates receive their timetable some individuals may find that two of their exams are scheduled to start at exactly the same time. This is unfortunate but unless the total for the two exams goes over three hours they will simply sit the exams one after the other.

If the total time for the two exams goes over three hours, a timetable variation will have to be made. This means the candidate will sit one exam in the morning, followed by a period of isolation. The candidate will be able to have lunch and study for their afternoon exam but they will be supervised throughout. **STUDENTS SHOULD BE AWARE THAT NO MOBILE PHONES OR ELECTRONIC DEVICES ARE ALLOWED DURING THE PERIOD OF ISOLATION.**

It is important that the candidate discusses the arrangements for isolation with Ms O'Connor in advance of the exam.

Results

Results of January exams will be distributed to pupils, in the College. Results for Summer examinations will be posted home to arrive on Thursday 16 August. Results can be collected from the College after 10am. Results will not be given over the telephone or sent via email.

Post Results Services

The College offers various Post Results Services. Full details will be made available with the Examination results.
