

Queen's University Information Evening, Thursday 27th April 2017

Dear Parent(s)/Guardian(s)

Queen's University Belfast would like to invite Year 13 Students and Parents from Our Lady and St Patrick's College Knock, Lagan College and Grosvenor Grammar School to an information evening held in **Our Lady and St Patrick's College Knock on Thursday 27th April 2017 at 7.00pm to 9.00pm.**

Queen's University are very aware that choosing a university or university course is a joint decision made by both parents and students. They would like to use this opportunity to engage with as many students and parents as possible who are contemplating applying to Queen's. In addition to the presentations outlined below, there will also be time set aside for parents and students to speak individually with various faculties present.

The event will consist of:

- Introductory presentation from Queen's followed by a Q&A session with past pupils from each school, currently attending Queen's;
- Subject specific talks such as Medicine, Engineering and many others;
- Support presentations:
 - UCAS application process,
 - Life at Queen's,
 - Employability,
 - Support Services.

On behalf of the Careers Departments from Our Lady and St Patrick's College Knock, Lagan College and Grosvenor Grammar School, we hope you are able to attend this event as we believe it will help both you and your son/daughter to make a well informed decision at this important stage in their education.

Please complete the reply slip below and return to your son/daughter's Tutor by **Friday 7th April 2017.**

Yours sincerely

Dermot G Mullan
Principal

Yours sincerely

James Davey
Head of Careers
