23rd October 2018

Dear Parent(s)/Guardian(s)

As a follow on to the Education for Love Programme in Years 8-10, students in Year 11 will be attending a presentation on **Wednesday 7th November 2018**. This will be delivered by an organisation 'Love for Life'. This is a family-centred programme which complements the Education for Love Programme in the College. The presentation will help our students to consider the consequences of risk-taking behaviour and sexual behaviour. Time will also be spent on developing 'skills to say no', helping them to stand up against those putting pressure on them, and affirming each individual as being unique.

We are glad to be able to offer the 'Love for Life' presentation to our students during this academic year, and I trust that you, as a parent, will be supportive of the programme and the College as we seek to address this very important aspect of our students' education.

If you have any queries or concerns regarding this please do not hesitate to contact me.

Yours sincerely

Liam McKenna
Head of Year 11
