Dear Parent(s)/Guardian(s)

Please find enclosed your son/daughter's report for Term 1. This report gives you an understanding of the academic progress made to date and highlights some areas for improvement.

I would encourage your son/daughter to reflect on the comments and grades that are recorded by subject teachers and to act on the advice offered. It is important that your son/daughter makes full use of the time remaining before the public exams commence in early May 2018 so as to achieve high grades in all subjects. Full attendance at school, a responsible approach to study alongside early revision of notes and past papers will help your son/daughter prepare for the academic rigours of the examination hall. Together we can ensure that your son/daughter achieves the grades required to progress to Higher Education or employment.

If you have any concerns arising from the content of this report please do not hesitate to contact your son/daughter's Form Tutor or Mr Tiffney, Head of Year 14.

Yours sincerely
